

Mesa Harmony Garden

Saturday March 4th, 10am-12pm

9am	Doors open for volunteers
10am	Growing Tomatoes Workshop
12 noon	Time to tidy up and go home

Learn best practice in Growing Tasty Tomatoes

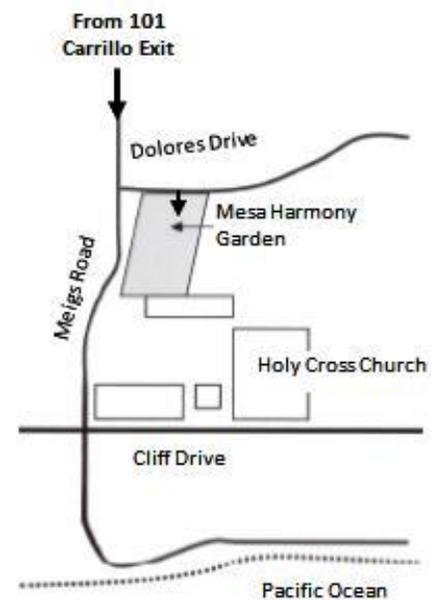

Join Janet Rogers and Trudy Adair-Verbais in the garden for practical tips on consistently getting wonderful tomato harvests, with a special emphasis on growing in coastal climates, including:

- Types and Varieties
- Site Selection and Plant Care
- Integrated Pest Management

You will also have the option to participate in a hands-on activity at the end:

- Planting your very own six pack of tomato seeds, materials provided.

Don't forget water and a sunhat.
