

Mesa Harmony Garden

Saturday October 1st, 10am-12pm

9am	Doors open for volunteers
10-12	Pests Workshop
9-12pm	Plant Sale

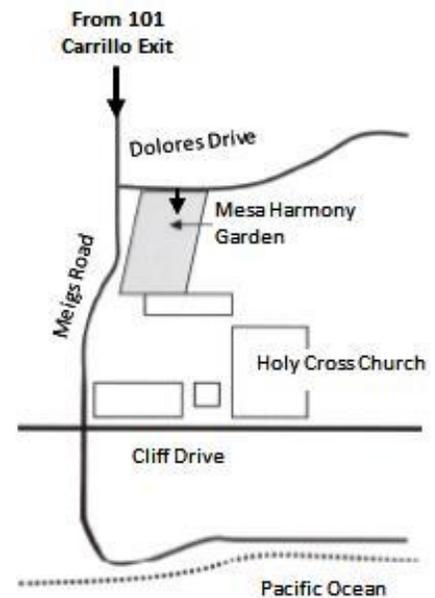

Managing Pests in the Garden

IPM - Integrated Pest Management

Join Janet Rogers, Russ Baldocchi and Trudy Adair-Verbais in the garden to hear all about effective approaches to pest management that emphasizes prevention and identification over toxic solutions...

- Introduction to IPM
- Common pests and diseases related to fruit and veggies
- Factors that encourage infestations or make them worse
- Organic methods for management

Bring what you need to be comfortable sitting outside for two hours – water, hat...

Donations are always welcome to support Mesa Harmony Garden - a 501c3 non-profit
