

Mesa Harmony Garden

Saturday January 7th, 10am-12pm

9am	Doors open for volunteers
10am	Pruning Workshop
12 noon	Time to tidy up and go home

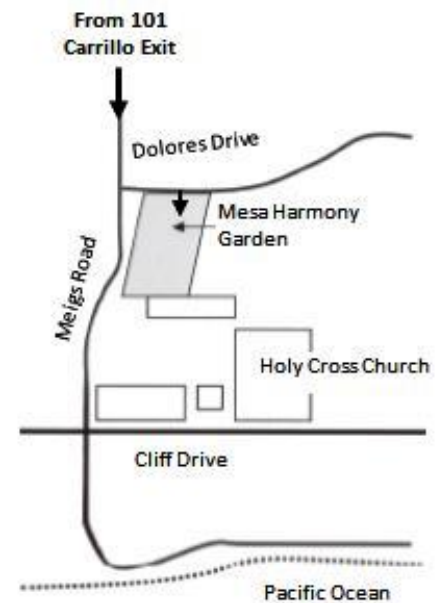

Fruit-Tree Winter Pruning

Practical Tips and Hands-On Experience

Join Larry and Russ in the garden for an in-depth immersion in this essential part of the tree-care calendar, and get...

- Practical tips on how winter pruning can encourage production and remove dead, damaged and diseased material.
- Hands-on practical experience in teams led by experienced pruners.

Come prepared to work in the orchard, and to help us with our annual pruning. Bring your own gloves and pruners if you have them, don't worry if you don't!

Donations are always welcome to support Mesa Harmony Garden - a 501c3 non-profit
