

Mesa Harmony Garden

Saturday June 3rd, 10am-12pm

9am	Doors open for volunteers
10am	Bioreactor Workshop – Part I
12 noon	Time to tidy up and go home

JOHNSON-SU COMPOST BIOREACTOR PROJECT

June 3rd, 2023 - 10am-12noon - Part 1

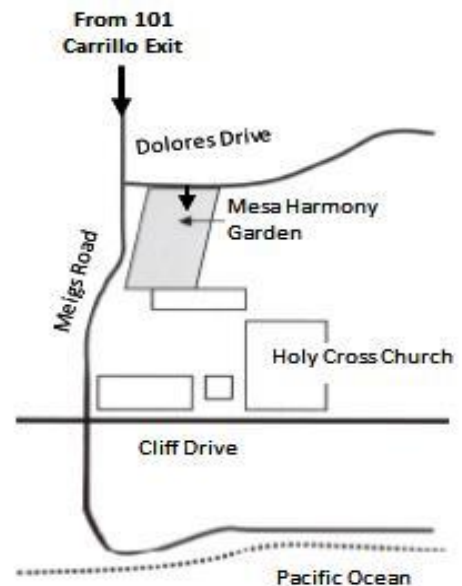

INTRODUCTORY WORKSHOP TO BUILD BIOREACTOR: Join us for the start of Mesa Harmony Garden's Compost Bioreactor Project which produces a scientifically superior, microbially-diverse, and fungally-dominant compost without turning.

June 10th, 2023 - 10am-12noon - Part 2

FILLING THE REACTOR: Many hands make light work on this crucial task. Your participation will be most welcome.

~June 2024 - Part 3

UNVEILING & ACCESSING THE COMPOST: Date depends on temperature of pile.

Donations are always welcome to support Mesa Harmony Garden's non-profit work

500 Dolores Drive,
corner of Meigs Road
