

# BACKYARD FOOD FORESTS

*Learn how to create a beautiful and  
productive Garden using  
Permaculture Principles*

Larry Saltzman specializes in Mediterranean Food Forests. He and his wife Linda have a 20 year old Food Forest in Santa Barbara. He has spoken and written extensively on Food Forests, and is President of the Channel Islands chapter of the California Rare Fruit Growers. He co-founded the Santa Barbara Organic Garden Club and is past President of the Permaculture Guild of Santa Barbara.

Larry will be joined for part of the day by Michelle Murchison, a local student of Environmental Horticulture with an emphasis on Permaculture design, who lives at and manages a fruit and nut orchard with a growing diversity of food forest plants. Has studied Permaculture through SBCC, the Jordan Permaculture Research Institute, and local Dreamscape Landscaping.
